## VII. PRESCRIPTIVE LED GENERAL SPECIFICATION REQUIREMENTS

- LED integral replacement lamps and replacement luminaires must meet BGE's LED technical requirements. This document is available on the program website and is subject to revision at any time, without notice.
- Applicant must verify compatibility with existing controls and/or existing transformer/ power supply.
- All LED measures must achieve minimum wattage savings as indicated on the eligibility requirements below.

## VIII. PRESCRIPTIVE LED INSTRUCTIONS

1. Measures are eligible for retrofit or new construction projects, unless otherwise noted below.
2. Complete the lighting inventory using the Prescriptive LED Worksheet found on the BGE's Web site. Rated wattages for various existing luminaire types are found in the Lighting System Rated Wattage Table included on the Prescriptive LED Worksheet.
3. Meet measure code eligibility requirements found in the table below.
4. Transfer the total quantities installed for each measure code and calculate the incentive total for each measure code in the table above.
5. Submit the completed electronic copy of the worksheet in accordance with the instructions on the worksheet, along with this application for pre-approval or final approval, as appropriate, to the address on page 1 or email to [Business@BGESmartEnergy.com](mailto:Business@BGESmartEnergy.com).

## X. TERMS & CONDITIONS

1. **INCENTIVE OFFER:** This application covers products contracted for, purchased or installed within 60 days of the date BGE receives the application and is not retroactive prior to this date.
2. **ELIGIBILITY:** Incentives are available to industrial, commercial, government and institutional electric service customers for the purchase and installation of qualifying energy savings measures in the BGE service territory. BGE reserves the right to deny any application that may result in BGE exceeding its program budget. Incentives are offered on a first-come, first-served basis and are subject to project and Customer eligibility, availability of funds and distribution of incentives across BGE customer base. Total incentive limits per Corporate tax ID per year for all incentives (prescriptive and custom) are limited to \$1,000,000.
3. **APPROVAL AND VERIFICATION:** Pre-approval is required for all custom projects as well as all prescriptive projects qualifying for a total incentive over \$1,000. BGE reserves the right to pre-inspect any project prior to pre-approval. No project related energy savings measures may be contracted for, purchased or installed prior to the date of BGE's pre-approval. Projects must be completed by the date listed on the pre approval notification letter (within 180 calendar days of project pre approval for retrofit projects and one (1) year of pre approval for new construction projects). All projects that require pre-approval may also require pre-inspection. BGE reserves the right to verify sales transaction and to have reasonable access to your facility, to inspect the energy savings measures installed under this Initiative, prior to issuing incentives, or at a later time. BGE reserves the right, for any reasons, to stop pre-approving energy savings measures at any time without notice. In particular, BGE is not obligated to pre-approve any application for an incentive that may result in BGE exceeding its program budget.
4. **PROOF OF PURCHASE:** This application must have complete information and be submitted with an invoice itemizing the new equipment purchased. The invoice must indicate the date of purchase, the size, type, make, model, serial number, part number and/or equipment manufacturer specification sheets. The signed application must be returned to ICF International, 7125 Thomas Edison Dr., Suite #100, Columbia, MD 21406.
5. **COMPLIANCE:** All projects must comply with all federal, state and local codes. All equipment must be new. Used or rebuilt equipment is not eligible for incentives. Existing equipment must be removed and disposed in a proper and legal manner. BGE encourages that equipment is disposed of and/or recycled in an environmentally friendly manner. Equipment must meet specification requirements and be purchased and operating prior to submitting the application form. Only one incentive will be granted for each project. Incentives granted to contractors, distributors or other market providers cannot also be claimed by end-use customers.
6. **PAYMENT:** Once completed paperwork is submitted, incentive payments will be made within an estimated 6-8 weeks. Incomplete applications will be returned. The customer may assign the incentive payment to a qualified contractor (if allowed). The benefits/payments conferred upon the Customer or their designated contractor through participation in this program may be taxable by the federal, state, and local government. The Customer or their designated contractor is responsible for declaring and paying all such taxes. The party receiving the incentive payment (Customer or Contractor) must complete IRS Form W-9 and submit it to BGE with the incentive application materials.
7. **INSPECTION:** BGE staff or their representatives may conduct an inspection of the facility to survey the installed projects.
8. **PUBLICITY:** BGE reserves the right to publicize your participation in this program.
9. **BGE/PROGRAM LOGO:** Customers or market providers may not use the BGE or Program name or logo in any marketing, advertising, or promotional materials without BGE's prior written permission.
10. **DISCLAIMERS:** BGE does not endorse any particular market provider, manufacturer, product, labor or system design by offering this program; will not be responsible for any tax liability imposed on a Customer as a result of the payment of incentives; does not expressly or implicitly warrant the performance of installed equipment or contractor's quality of work (contact your contractor for detailed warranties); is not responsible for proper and legal disposal/recycling of any waste generated as a result of this project; and is not liable for any damage caused by the installation of the equipment or for any damage caused by the malfunction of the installed equipment.
11. **VERIFICATION:** Any customer receiving an incentive check may be contacted by an evaluator to verify service/equipment installation or be asked to complete a written, oral or electronic customer survey.
12. **APPLICATION DOES NOT ENTITLE CUSTOMER TO PARTICIPATE:** The program described in this application may be altered, suspended, or canceled by BGE at any time without prior notice. Under such circumstances, the Customer is not entitled to any program benefits in excess of those approved prior to such action by BGE. Submission of a completed application does not entitle the Customer to program participation. Entitlement to program participation can only occur after BGE has signed a copy of the application and granted pre-approval if required by BGE.
13. **REMOVAL OF EQUIPMENT:** The Customer agrees, as a condition of participation in the program, to remove and dispose of the equipment being replaced by the energy savings measures in accordance with all legal requirements. The Customer agrees to not install any of this equipment in the BGE service territory.
14. **CHANGES TO THE PROGRAM:** BGE may change the program and the Terms & Conditions at any time without notice. Pre-approved applications, however, will be processed to completion under the Terms & Conditions in effect at the time of the pre-approval by BGE.
15. **NO WARRANTIES:** BGE does not endorse, guarantee, or warrant any particular manufacturer or product and BGE provides no warranties, expressed or implied, for any products or services. The Customer's reliance on warranties is limited to any warranties that may arise from, or be provided by contractors, vendors, etc. The Customer acknowledges that neither BGE nor any of its consultants are responsible for assuring the design, engineering and construction of the Facility or installation of the energy savings measures is proper or complies with any particular laws (including patent laws), codes, or industry standards. **BGE DOES NOT MAKE ANY REPRESENTATIONS OF ANY KIND REGARDING THE RESULTS TO BE ACHIEVED BY THE ENERGY SAVINGS MEASURES OR THE ADEQUACY OR SAFETY OF SUCH MEASURES, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**
16. **LIMITATION OF LIABILITY:** BGE's sole liability is limited to paying the properly qualified rebates specified herein. Neither BGE nor any of its affiliates shall be liable to the Customer or any other party for any indirect, consequential or incidental damages, regardless of the theory of recovery, caused by or arising from any activities associated with this program.
17. **VENDOR SELECTION:** BGE acknowledges that the Customer may select any vendor or contractor to perform the work contemplated by this Application, even after the Application is submitted for pre-approval by BGE. Notwithstanding the foregoing, the Customer acknowledges that BGE has the right to prohibit specific vendors or contractors from program participation for any reason or no reason.
18. **OBLIGATIONS BETWEEN THE PARTIES:** Customer acknowledges that any contractor selected by the Customer is not an agent, contractor or subcontractor of BGE. BGE shall have no obligation to maintain, remove or perform any work whatsoever on the energy savings measures installed. BGE shall have no liability for contractor's failure to perform, for failure of the energy savings measures to function, for any damage to the Customer's premises caused by the contractor or for any and all damages to property or injuries to persons caused by the energy savings measures.
19. **ENERGY BENEFITS:** BGE is entitled to 100% of the energy benefits associated with the energy savings measures, excluding the value of energy cost savings realized by the Customer, but including all rights to all associated PJM Energy, Capacity and Reserves Products, and the Customers agrees to provide BGE with such further documentation as the BGE may request to confirm BGE's ownership of such benefits and products.
20. **CUSTOMER'S CERTIFICATION:** Customer certifies that he/she has purchased and installed the equipment listed above at the defined location. Customer agrees that all information is true and that he/she has conformed to all Initiative and equipment requirements listed. Customer has verified that the units listed above have been installed correctly. Customer or Customer's representative has been instructed on how to operate and maintain this equipment and has received all necessary operation and maintenance manuals.
